

SWOT ANALYSIS

NAME: _____

A SWOT Analysis is a strategic planning tool used to evaluate the Strengths, Weakness, Opportunities, and Threats involved in a project. The aim of conducting your own personal SWOT analysis is to identify the key internal and external factors that are important in maximizing your next semester at UMKC and making progress toward determining your educational and career objectives.

Using the boxes below identify between 3 and 5 aspects of yourself and your situation that are connected to your success at UMKC and/or achieving your career goals.

Strengths What do you do well?
What unique internal resources can you draw on?
What do others see as your strengths/skills?

--

Weaknesses What could you improve?
Where do you have fewer internal resources than others?
What are others likely to see as weaknesses?

--

Opportunities What advantages do you have?
Who are your supports?

--

Threats What is your competition doing?
What barriers could impact your success?

--
